Date of Response: 1st October 2015

Further to your Freedom of Information request, the Trust has answered your questions in the order they appear in your request.

Request and reply

I have been advised to send a Freedom of Information request to gain the following information.

Please can you tell me if your organisation used a consultancy firm to assist with the procurement of your Trust's PAS and or EPR system, procured in January 1986?

The Trusts PAS was developed and owned by Trent Regional Health Authority and was Crown Copyright. There was no consultancy as the system was implemented entirely by the Trusts internal team. Note this system was adopted by the South West Regional Health Authority.

If you could please let me know the name of the consultancy used, and if possible, the name of the individual contact within that consultancy, it would be appreciated.

Not applicable.
