

Request title: Cancer Diagnostic Tests

Date of Response: 15th September 2015

Further to your Freedom of Information request, the Trust has answered your questions in the order they appear in your request.

Request

We are building a website for patients with Cancer. We're updating our database with information regarding Biomarkers and companion diagnostic services available at various hospitals for 4 cancer types. Please find attached a survey and I request you to fill it and return it back to me at this email address. We appreciate your co-operation.
