

Please take a moment to help us build a website to help patients. Please tick the box against the tests that your hospital offers. After you finish, kindly send it back

## Breast Cancer

---

### *Which tests do you offer?*

- |  |  |
|--|--|
| <input type="checkbox"/> <b>Oncotype DX – All in the UK sent to the USA.</b> | <input type="checkbox"/> Retinoic acid receptor alpha RARA |
| <input type="checkbox"/> MammaPrint  | <input type="checkbox"/> STAT3                             |
| <input type="checkbox"/> Nottingham Prognostic Indicator NPI                 | <input type="checkbox"/> TIMP-1                            |
| <input type="checkbox"/> Adjuvant! Online                                    | <input type="checkbox"/> <b>Ki67</b>                       |
| <input type="checkbox"/> PREDICT   | <input type="checkbox"/> Cyclin D1                         |
| <input type="checkbox"/> Cytochrome P450 2D6                                 | <input type="checkbox"/> Cyclin E                          |
| <input type="checkbox"/> PIK3CA  | <input type="checkbox"/> ERB                               |

## Lung Cancer

---

### *Which tests do you offer?*

- |  |                                       |
|--|---------------------------------------|
| <input type="checkbox"/> Cobas EGFR Mutation Test  | <input type="checkbox"/> ERCC1        |
| <input type="checkbox"/> <b>DAKO EGFR PharmaDx kit (IHC)</b>                               | <input type="checkbox"/> Beta Tubulin |
| <input type="checkbox"/> Qiagen, theascreen EGFR RGQ PCR kit (PCR)                         | <input type="checkbox"/> RB           |
| <input type="checkbox"/> <b>Abbott Molecular Inc, VYSIS ALK</b> Break Apart FISH Probe Kit | <input type="checkbox"/> PTEN         |
| <input type="checkbox"/> Qiagen theascreen KRAS RGQ PCR kit                                | <input type="checkbox"/> MET          |
| <input type="checkbox"/> bioMerieux Inc. THxID BRAF  | <input type="checkbox"/> FGFR1        |
|  | <input type="checkbox"/> DDR          |
|  | <input type="checkbox"/> PIK3CA       |
|  | <input type="checkbox"/> ROS          |
|  | <input type="checkbox"/> MEK1         |

- 
- Roche Molecular Systems, Cobas  
4800 BRAF V600 Mutation Test
  - Ventana Medical Systems,  
INFORM HER-2/NEU (FISH)
  - Abbott Molecular Inc,  
PATHVYSION HER-2 DNA Probe  
Kit (FISH)
  - Biogenex Laboratories Inc, INSITE  
HER-2/NEU KIT )Mouse McAb for  
IHC)
  - P53
  - RRM1
  - CDKN2A

## Prostate Cancer

---

### *Which tests do you offer?*

- Myriad, Cell Cycle Proliferation  
Assay (CCP)
  - Prostate-specific antigen (PSA)**
  - OPKO Lab, 4Kscore Test
  - Hologic, ProgenSA PCA3
  - Ventana, Gen-Probe IP for measuring  
ERG protein
  - PCA3
  - TMPRSS2-ERG Fusion Transcript
-

---

## Colon Cancer

### *Which tests do you offer?*

- Therascreen
- Oncotype Dx Colon Cancer Test
- ColoPrint
- Cobas KRAS Mutation Test
- AmoyDx KRAS test
- SURVEYOR Scan K-RAS Mutation Detection Kit
- PyroMark Q24 KRAS Assay-Kit
- DYPD**

**UGT1A1**

**BRAF**

**KRAS**

**BRAF**

**NRAS**

**PTEN**

**PIK3CA**

*Thank you for your participation*
