

# Request title: Emergency Breakdown

---

Date of Response: 11<sup>th</sup> April 2016

Further to your Freedom of Information request, the Trust has answered your questions in the order they appear in your request.

## Request

I would like to know the following please:

- 1) How many instances of emergency vehicles (E.G police cars, fire engines, ambulances) needing roadside assistance were recorded between 2004-15? If the data doesn't stretch back to 2004, please use the earliest you have.
- 2) In such cases, was the cost of recovery paid to a 3rd party? If so, what is the current call out charge?

Please provide the responses in an Excel spreadsheet if possible and breakdown by year.

## Reply

I can confirm that the Trust would not be able to provide this information for you as it does not own, nor it is responsible for any such vehicles.

Each of these services owns their own vehicles and therefore you would need to direct your request to each of them individually.
