

# Request title: E-cigarette injuries

---

Date of Response: 18<sup>th</sup> April 2016

Further to your Freedom of Information request, the Trust has answered your questions in the order they appear in your request.

## Request

I'm looking to receive details on how many patients have been admitted to hospital with injuries caused by e-cigarettes since 2013.

Can this please be broken down into separate figures for 2013, 2014, 2015 and 2016 so far.

If possible, could I also be provided with a brief description of the injuries suffered in each case.

## Reply

The Trust is not able to provide an answer to your request as there are not any national A&E or ICD diagnosis codes relating to e-cigarettes at present.
