

Request title: Consultant shift information

Date of Response: 26th February 2016

Further to your Freedom of Information request, the Trust has answered your questions in the order they appear in your request.

Request

I am writing to you under the Freedom of Information Act. I wish to request information about the number of consultants working over the week Saturday 18 July - Friday 24 July.

For each of the A&E, General medicine and General surgery departments in your trust, I would like information on:

1. For each day over the week Monday 13 - Sunday 19 July, the number of consultants working in or as resident on call for each department between 9am and 7pm
2. For each day over the week Monday 13 - Sunday 19 July, the number of consultants working in or as resident on call for each department between 7pm and 9am
- 3) For each day over the week Monday 13 - Sunday 19 July, the number of consultants as non-resident on call for each department between 9am and 7pm
- 4) For each day over the week Monday 13 - Sunday 19 July, the number of consultants as non-resident on call for each department between 7pm and 9am

So for clarity, I would like three tables, each on one of the three departments mentioned above, containing the following information:

Number of consultants working in department		
	9am - 7pm	7pm - 9am (following morning)
Monday 13th		
Tuesday 14th		
Wednesday 15th		
Thursday 16th		
Friday 17th		
Saturday 18th		
Sunday 19th		
Number of consultants on call for department		
	9am - 7pm	7pm - 9am (following morning)
Monday 13th		
Tuesday 14th		
Wednesday 15th		
Thursday 16th		
Friday 17th		

Saturday 18th		
Sunday 19th		

Some parts of this request may be easier to answer than others, and should this prove to be the case I would ask that you release available data as soon as possible rather than hold up the entire request.

I would prefer to receive this information in an Excel spread sheet. If the decision is made to withhold some of this data using exemptions in Act, please inform me of that fact and cite the exemptions used.
