Firstly, since 1st April 2010 what has been the maximum cost to the Trust of an elective operation being cancelled last-minute for non-clinical reasons? Please give additional detail as to what the operation was and how many members of staff were supposed to be working on the operation. The Trust does not record this level of data and therefore we are unable to provide the information requested.

Secondly, please provide the total number of elective operations cancelled last-minute for non-clinical reasons for each quarter going back to 2010. The number of last minute cancelled operations is available here https://www.england.nhs.uk/statistics/statistical-work-areas/cancelled-elective-operations/cancelled-ops-data/

Thirdly, please provide the total quarterly cost of elective operations being cancelled last-minute for non-clinical reasons for each quarter going back to 2010. The Trust does not record this level of data and therefore we are unable to provide this information requested.
