

**Royal Devon and Exeter NHS Foundation Trust -
Public Sector Apprenticeship Target Report
Period 1st April 2017 – 31st March 2018**

Prescribed groups and public sector bodies with 250 or more staff in England have a target to employ an average of at least 2.3% of their staff as new apprentice starts over the periods of 1st April 2017 to 31st March 2021.

The submission for the period 1st April 2017 – 31st March 2018 has been uploaded to the National Apprentice Service portal / Department for Education.

This document provides a summary of the information submitted at the Data Publication Section of the return and has been compiled in conjunction with the guidance document entitled “Meeting the Public Sector Apprenticeship Target – Statutory guidance for bodies in scope of the Public Sector Apprenticeship Target.”

Figure	Description	Result
Figure A	The number of employees whose employment in England by the body began in the reporting period in question	1,146
Figure B	The number of apprentices who began to work for the body in that period and whose apprenticeship agreements also began in that period.	157
Figure C	The number of employees employed in England that the body has at the end of that period	8,228
Figure D	The number of apprentices who work for the body at the end of that period	170
Figure E	Figure B expressed as a percentage of Figure A	13.70%
Figure F	Figure D expressed as a percentage of Figure C	2.07%
